Weary of striving to make it alone,
fearful of failure or trying to atone,
I hear 'It is finished', Christ sits on the throne:
Jesus, I rest in you.

2. Weary of fearing what others may say,
needing approval to feel I'm okay,
when Jesus alone is the Lord I obey:
Jesus, I rest in you.

3. Weary of chasing the lies of this world,
finding its treasures an empty reward:
my beautiful Saviour, most glorious Lord,
Jesus, I rest in you.

4. Weary of needing to be in control,
brooding on worries, disturbing my soul:
the Still of storms who alone can console,
Jesus, I rest in you.

5. Weary of memories recalled with dismay,
burdened with guilt that I can't sweep away,
when Jesus has cancelled what I could not pay:
Jesus, I rest in you.
